### Chinese Language Arts

We are in the middle of Meizhou Chinese lesson 1 and we will be finishing lesson 1 next week. We are also reviewing the Chinese characters and phrases learned last year from Meizhou Chinese book 2.

### Social Studies

We focused on Rm 11 behavior standards this week: 1. Show Respect. 2. Make good choices. 3. Solve problems. 4. Treat others the way you want to be treated. Students who violate classroom rules or get into conflict will reflect on their own behaviors and restore broken relationships with their friends in a restorative practice circle led by the teacher. Their reflection sheet will be sent home for signature. Parents will be notified on Parentsquare.

### Homework

We started homework this week. We only gave Meizhou Chinese worksheet homework this week, because I have been training the kids to record on their reading log. Starting next week, students will start their reading log assignment. On the days when there are no Meizhou Chinese worksheet assignments, reading log is still required. Reading log is not required only on the days when there are no school.

### Technology

I am training my students to use Kami (an annotation app) and Google docs this week and noticed that many students are not used to using the trackpad/touchpad on the Chromebook. I have some computer mouse to loan but not enough for 1:1. If parents can put a computer mouse and a headset or earbuds in the students' backpack, that would be great! On another note, please check your email for invites to connect on Google Classroom.

### Parent Volunteers

We will communicate classroom needs for volunteers with room parents and room parents will post sign-ups on Konstella. Please install the Konstella app if you haven't and stay informed with volunteering opportunities.

### Heads Up

- 9/5 - Labor Day, No School
- 9/7 9:00 -9:30 Volunteer Training
- 9/8 - General Art class starts
- 9/9 - 4:00 - 8:00 CLIP Mid-Autumn Festival
